HIP HOP · AFRO · OPEN FORMAT

SINCE 2018

BIO

Paris-based ALVA DJ has been shaping dancefloors since 2018. Through residencies at standout Paris venues — Autobahn Paris, Deflower Paris, Freshtouch Paris and Aquarium / La Gaya Paris — he forged a distinctive open-format approach that blends hip-hop, afrobeats, house, and global club sounds.

His bookings include renowned spots such as Tam Tam Paris, Monsieur Cirque, Cova Club Paris, Bagatelle Paris in Paris, and international shows at MAD Lausanne, Theatro Marrakech, Chrystie Cannes, NAO Pool Club, Mirage Marbella, Birdy Brussels, Azar Club and Hypnotize Fest.

He also performed during Monaco GP in 2023 or Paris Fashion Week, providing sets for major international artists including Travis Scott, Quavo, Offset, Gunna, Rich The Kid, Busta Rhymes, Metro Boomin, Don Toliver, and Tyga, as well as exclusive after-parties for Kanye West (Vulture) and Drake.

Behind every set lies a clear signature: genuine, contagious energy, an inspired selecta, and a deep connection with the crowd that turns every night into a true experience.
